Seek medical advice if necessary.
General advice													
- If Inhaled	Remove to fresh air												
- On Skin Contact	Remove affected clothing and wash all exposed skin area with mild soap and water, followed by warm water rinse												
- On Contact with Eyes	In case of contact with eyes, rinse immediately with plenty of water and seek medical advice												
- On Ingestion	Rinse mouth. Seek medical advice if necessary.												
5. Fire-Fighting Measures <table border="0"> <tr> <td>Extinguishing media</td> <td>Water spray, Dry chemical, Carbon dioxide, foam.</td> </tr> <tr> <td>Special exposure hazards</td> <td>Firefighter should be equipped with self-contained breathing apparatus to protect against potentially toxic and irritating fumes.</td> </tr> <tr> <td>Hazardous combustion products</td> <td>By fire:protect against potentially and irritating Fumes.</td> </tr> <tr> <td>Protection against fire</td> <td>Wear proper protective equipment</td> </tr> </table>				Extinguishing media	Water spray, Dry chemical, Carbon dioxide, foam.	Special exposure hazards	Firefighter should be equipped with self-contained breathing apparatus to protect against potentially toxic and irritating fumes.	Hazardous combustion products	By fire:protect against potentially and irritating Fumes.	Protection against fire	Wear proper protective equipment		
Extinguishing media	Water spray, Dry chemical, Carbon dioxide, foam.												
Special exposure hazards	Firefighter should be equipped with self-contained breathing apparatus to protect against potentially toxic and irritating fumes.												
Hazardous combustion products	By fire:protect against potentially and irritating Fumes.												
Protection against fire	Wear proper protective equipment												

6. Accidental release measures

Personal precautions	Wear suitable protective clothing and gloves.
Environmental precautions	Comply with local regulations for container disposal. Notify authorities if product enters sewers or public waters.
After spillage / leakage	Sweep or shovel spills into appropriate container for disposal. Spill area can be washed with water. Collect wash water for approved disposal.

7. Handling and storage

Storage	Keep away from heat. Keep container closed when not in use.
Handling	Avoid all unnecessary exposure. Handle in accordance with good industrial hygiene and safety procedures.

8. Exposure Controls / Personal Protection

Personal protection	
- Respiratory protection	Approved dust or mist respirator should be used if airborne particulate is generated when handling this material.
- Skin protection	Gloves
- Eye protection	Safety glasses.
- Ingestion	When using, do not eat, drink or smoke.

9. Physical and Chemical Properties

Appearance and physical state	Liquid
Odour	No
Ignition temp. [°C]	➤ 350 °C
Boiling point/range [°C]	➤ 105 °C
Vapour Pressure 20 °C	23 hPa
Solubility (% w/w)	Dispersible in water
Viscosity at 20 °C	7 CPS
pH value 20 °C	7.5
Flash point [°C]	> 130 °C
Density at 20 °C	1.05 g/cm ³

10 Stability and reactivity

- **Thermal decomposition / conditions to be voided:** Stable under recommended storage and handling conditions.
- **Materials to be avoided:** Strong oxidizers.
- **Dangerous reactions :** No dangerous reactions known if used according to specifications.

11 Toxicological information

There is no experimentally determined data available on the preparation itself.

The product is not subject to classification according to the calculation

12 Ecological information

At present there are no ecotoxicological assessments.

Do not allow product to reach ground water, water course or sewage system.

13 Disposal considerations

Waste material must be disposed of in accordance with local regulations.

Recommendation: Empty contaminated packagings thoroughly. They may be recycled after thorough and proper cleaning.

14. Transport information

General information

Not regulated - Not hazardous product

15. Regulatory information

According to Regional Regulation

16. Other information

Recommended uses and restrictions

None

The contents and format of this MSDS are in accordance with EEC Commission Directive 93/112/EEC.

DISCLAIMER OF LIABILITY: The information in this MSDS was obtained from sources which we believe are reliable. However, the information is provided without any warranty, express or implied, regarding its correctness. The conditions or methods of handling, storage use or disposal of the product are beyond our control and may be beyond our knowledge. For this and other reasons, we do not assume responsibility and expressly disclaim liability for loss, damage or expense arising out of or in any way connected with the handling, storage, use or disposal of the product. This MSDS was prepared and is to be used only for this product. If the product is used as a component in another product, this MSDS information may not be applicable.
