

1. PRODUCT AND COMPANY IDENTIFICATION

1.1. PRODUCT TRADE NAME

Commercial name: Artgraf - Tailor Shape – Dark Brown - Box of 12

1.2. APPLICATIONS

Drawing

This product must be used exclusively for its intended purpose

Do not ingest

Do not apply to skin

1.3. EXPECTABLE AGE GRADE

Adults

1.4. SUPPLIER

Viarco, Indústria de Lápis, Lda

Rua Jaime Afreixo, 533

3700 -144 Sao Joao da Madeira

Portugal

Phone number: (+351) 256 830 880

Opening hours: 09h - 13h / 14h - 18h (Lisbon Time Zone)

E-mail: geral@viarco.pt

1.5. EMERGENCY PHONE NUMBERS

National Health Service: 111

UK Emergency phone number: 999

2. HAZARDS IDENTIFICATION

2.1. PRODUCT CLASSIFICATION

The product is not classified as hazardous in normal handling. Dust or vapour from processing may present minor hazards.

2.2. LABEL ELEMENTS

GHS09

2.3. OTHER HAZARDS

Fine dust may be mildly irritant to lungs and eyes.

3. COMPONENTS COMPOSITION/INFORMATION

3.1. SUBSTANCES

Non applicable (mixture).

3.2. MIXTURES

Mixture of dye, fillers, binders and waxes.

4. FIRST AID MEASURES

4.1. DESCRIPTION OF EMERGENCY MEASURES

Eye contact

Rinse immediately with plenty of water for 10–15 minutes. Seek ophthalmic advice if irritation persists.

Skin contact

Wash with soap and water. If irritation or allergic reaction develops (possible glyoxal sensitiser), seek medical advice.

Inhalation

Move to fresh air. If breathing difficulties occur, seek medical attention.

Ingestion

Rinse mouth. Do not induce vomiting. Seek medical attention if discomfort occurs.

ARTGRAF - TAILOR SHAPE - DARK BROWN - BOX OF 12

VERSION: 02 DATE: 21-10-2025

4.2.MOST IMPORTANT SYMPTOMS AND EFFECTS

Eye irritation, skin dryness, mild sensitisation (glyoxal).

4.3.INDICATIONS ON URGENT MEDICAL CARE AND SPECIAL TREATMENTS

Treat symptomatically.

5. FIREFIGHTING MEASURES

5.1.FIRE EXTINGUISHING MEANS

N/A

5.2.ADVICE FOR FIREFIGHTERS

Suitable extinguishing media

Dry powder, foam, CO₂, water spray.

Specific hazards

Organic components may emit CO, CO₂, aldehydes under heat.

Protective Equipment

Self-contained breathing apparatus if smoke inhalation risk.

6. MEASURES IN CASE OF ACCIDENTAL RELEASE

6.1.PRECAUTIONS TOWARDS THE ENVIRONMENT

Avoid dust formation. Sweep up mechanically.

6.2.MEASURES IN CASE OF ACCIDENTAL RELEASE

Place in containers for disposal according to local regulations. Use PPE to prevent dust inhalation.

7. HANDLING AND STORAGE

7.1.PRECAUTIONS FOR SAFE HANDLING

Avoid eye contact and dust inhalation.

7.2.REQUIREMENTS TO BE MET BY CONTAINERS

Store cool, dry, away from oxidising agents. Keep container sealed when not in use.

7.3.SPECIFIC END USE(S)

Intended for use as a coloring block.

8. EXPOSURE CONTROLS / PERSONAL PROTECTION

Consideration was given to consumer exposure with intended product use and under circumstances involving reasonably foreseeable misuse. Intentional product misuse was not considered within the scope of the assessment. This evaluation was conducted under assumption that potential acute exposure to product ingredients is through the dermal route and possibly the oral route through accidental ingestion. Any volatile compounds within the product were evaluated for the inhalation route of exposure.

8.1.TECHNICAL MEASURES

N/A

8.2.RESPIRATORY PROTECTION

Dust mask (FFP2) when airborne particles present.

8.3.EYE PROTECTION

Safety goggles if dust generation.

8.4.SKIN PROTECTION

Protective gloves.

8.5.HYGIENE MEASURES

Wash hands after use. Do not eat, drink or smoke while handling

9. PHYSICAL AND CHEMICAL PROPERTIES

Physical state:

Solid

Color:

Dark Brown

SAFETY DATA SHEET

ARTGRAF - TAILOR SHAPE - DARK BROWN - BOX OF 12

VERSION: 02 DATE: 21-10-2025

Melting point:

>100 °C

Flammability:

Not flammable in solid form

10. STABILITY AND REACTIVITY

10.1. REACTIVITY

The product presents no risk due to its reactivity.

10.2. CHEMICAL STABILITY

Stable at normal temperatures and storage conditions.

10.3. POSSIBILITY OF DANGEROUS REACTIONS

Avoid contact with strong oxidising agents and extreme heat.

10.4. HAZARDOUS DECOMPOSITION PRODUCTS

Thermal decomposition releases CO₂ and CO.

11. TOXICOLOGICAL INFORMATION

Acute toxicity: Low overall. Glyoxal contributes minor oral toxicity.

Irritation: Dust may irritate eyes and respiratory tract.

Sensitisation: Possible skin sensitisation (glyoxal).

Chronic effects: Long-term inhalation of respirable mineral dust may cause irreversible lung damage.

12. ECOLOGICAL INFORMATION

12.1. TOXICITY

Mixture not expected to be environmentally hazardous.

12.2. PERSISTENCE AND DEGRADABILITY

Most of the components are biodegradable or mineral-based.

12.3. BIOACCUMULATION POTENTIAL

Unknown. Individual components likely low bioaccumulation.

12.4. MOBILITY IN SOIL

Minimal mobility.

12.5. OTHER ADVERSE EFFECTS

Avoid release of dust into waterways. Potentially harmful to aquatic organisms

13. DISPOSAL CONSIDERATIONS

Dispose via licensed waste contractor. Solid blocks may be taken to inert landfill or recycled if appropriate.

Liquid/contaminated washings should be treated as potentially hazardous. Do not dump into sewers.

14. TRANSPORT INFORMATION

As a solid non-hazardous pigment block the product will normally not be classified as dangerous for transport.

Act in accordance with section 6.

15. REGULATORY INFORMATION

15.1. SAFETY, HEALTH AND ENVIRONMENTAL REGULATIONS / LEGISLATION SPECIFIC FOR THE SUBSTANCE OR MIXTURE

Conforms with REACH Regulation 1907/2006.

Check Toy Safety Directive (EU) or relevant national regulations if intended for children.

15.2. H AND P PHRASES

The product is not classified as hazardous under UK CLP (Classification, Labelling and Packaging) Regulation.

Hazard statements:

H319: Causes serious eye irritation

H335: May cause respiratory irritation

SAFETY DATA SHEET

ARTGRAF - TAILOR SHAPE - DARK BROWN - BOX OF 12

VERSION: 02 DATE: 21-10-2025

Precautionary statements:

P261: Avoid breathing dust.

P280: Wear protective gloves/eye protection.

P305+P351+P338: If in eyes: Rinse cautiously with water for several minutes.

16. OTHER INFORMATION

This SDS is provided for information only.

Intended for workplace safety awareness for bulk purchasers and industrial users.

Normal consumer use does not require SDS under UK REACH Article 31.
